EXPRESSION OF INTEREST

Name of Work: Engagement of Consultant Firm for designing Quality Management System under NABL requirements as well as ISO 17025:2005 standard leading to Accreditation of Biochemistry Laboratory – I & II at ICAR-CIFRI, Barrackpore

ICAR-Central Inland Fisheries Research Institute (ICAR-CIFRI) is a premier fisheries research institute in India established in 1947 and functioning under the administrative control of Indian Council of Agricultural Research (ICAR). The headquarters of the Institute is located at Barrackpore, Kolkata – 700 120.

The Institute apart from other facilities possesses Bio-Chemistry Laboratory-I & II under Fisheries Resources and Environment Management (FREM) Division at the Institute's Headquarters. The said laboratories are well equipped and observe protocols of international standards.

The Institute therefore, desires accreditation of National Accreditation Board for Testing and Calibration Laboratories (NABL) as well as ISO 17025:2005 as per the required standards.
